

## **UVAJAMO "PISMA"**

Jasna M.A. STEKAR

Z letom 2001 uvajamo rubriko Pisma. Zavedamo se namreč, da pri objavljanju prispevkov obstaja možnost, da pišoči na kakega sodelavca "pozabijo", lahko je tudi izpuščen kak pomembnejši vir. Z ozirom na to prizadete prosimo, naj se oglasijo, enako pa tudi bralce, ki opazijo pomanjkljivosti, zlasti pri navajanju virov. Dobrodošli so predlogi za izboljšave.

## **LETTERS TO THE EDITOR**

Jasna M.A. STEKAR

In the year 2001 Letters to the Editor will be introduced into the journal. We are aware that authors might forget to quote a colleague or an important citation in the literature review could have been omitted. Therefore, we kindly ask all to whom it may concern as well as readers who come upon faults especially in the literature review, to write a letter to the editor. Any proposal for improvement will be appreciated.
